Principal & Interest, Escrows and Automatic Withdrawal

- Principal and interest is calculated on an actual/360 day basis; prorated interest from time of closing through end of month is due at time of closing.
- Monthly escrow for taxes and insurance is required with a 2-month cushion; if the renewal of insurance is due around the time of closing, one year of insurance premium will be collected at closing.
- Automatic Withdrawal (ACH) is required for all loan payments.

Helpful Facts

- The information provided above contains estimated costs only and may change without prior notice. All third party fees will be your responsibility.
- These are standard fees. Fees may be increased or decreased based on promotional programs. Please contact your Relationship Manager for more details.
- A prior or new survey is required for loans over \$500,000 and may be required for loans under \$500,000 based on a review of the title. Survey costs vary based on location and size of the property.

*Lender reserves the right to charge additional fees if there are multiple parcels, multiple entities or multiple guarantors.

**The majority of the loans are charged only the environmental due diligence fee but certain property types require environmental insurance to be paid at closing.

***Once the title examination is received, Silver Hill Funding, LLC will provide a preliminary settlement statement to the borrower containing title company specific fees, including title search, title insurance premiums, settlement fees, recording fees, and possible survey fees.

****Georgia, South Carolina, North Carolina and Texas require that all documents are reviewed by state licensed attorneys. Such fees will be included on a preliminary settlement statement prior to closing. Any additional legal fees deemed necessary outside of normal costs will be discussed with the borrower/broker prior to closing.
